

Step 1

Contact the Aerochemicals coordinator and provide a presentation about your company. A member of the Alliance (or the President) invites you to the next Annual General Meeting as a new candidate (normally held May-June).

Step 2

Present your candidature to other members of the Alliance during the Annual General Meeting (normally held May-June). Your candidature should include, but not be limited to:

- Your activity
- Your expectations from the Alliance
- What you can contribute to the Alliance

Step 3

Alliance members will review your application and vote during the Annual General Meeting.

Step 4

If the Alliance accepts your membership, you'll be asked to return a signed Declaration Letter before the end of December in the year of application.

Step 5

An invoice for membership fees will be sent by the Aerochemicals' coordinator to cover the following year's fee commencing in January. Payment will be required within 30 days from the invoice date.

1st Year Membership Fee

The Membership fee is set by Alliance members and may be revised each year.

Cost = double of membership fees

Year 1 Membership Fee – 10 000€ Subsequent Years – 5000€

Use

- 50% will be used to organize an event in your area with other members of the alliance.
- Examples: A dinner or booth at an MRO or OEM show, organization of an outing for key customers, etc.
- The remaining 50% will be used by the Alliance to cover running costs.
